REQUEST FOR APPROVAL OF STUDENT EMPLOYEE APPOINTMENT FOR STUDENTS ENROLLED IN LESS THAN A ½ PROGRAM

The Rules of the University Civil Service System of Illinois requires approval of all student employment appointments when the student is enrolled for less than one-half of a normal course load. The Civil Service System may grant an exception to the employment eligibility rule for a degree seeking student who is registered for less than half time, if:

The student is experiencing financial, physical or personal hardships.

If you believe a student meets one of these criteria, please complete the enclosed form and return to the Student Employment Office (2100 SSB, m/c 335).

Giving a detailed account explaining the circumstances will allow the University to present a strong case to the Civil Service System. If the student needs less than six (6) credit hours to graduate, please provide proof through the College in which the student is enrolled through.

When the request is received by Student Employment, it will be reviewed for compliance with the above guidelines and forwarded to:

Jami Painter

If the request is approved by the University Office of Human Resources, it will be forwarded to the Civil Service System for final approval. When the final approval is denied, at any time during this process, you and your hiring unit will be notified by Student Employment. Upon notification of disapproval, the student's appointment will be terminated immediately.

Approval will be granted for one semester only. Students who withdraw from school during their employment will not be allowed to continue working under Student Employment.
